PROPERTY

Identification

Clearly label all equipment as property of USDA-ARS. This is particularly important at university locations to distinguish state-owned from federally-owned property. This property belongs to the United States Department of Agriculture. Removal of this property is a federal offense. Property purchased for \$5000 and above should be assigned a label with an AG number.

Excess Property Forms

Each location may be different in reporting excess property. Some Administrative Offices are still using Form SF-120 and some are automated and on-line with NFC and do not use the form. Whatever method is used, excess property is to be reported to the Administrative Office. Once the property is reported, it will be declared excess; then it is in the excess property system waiting for proper disposal and will come off the individual's inventory list through NFC. Also attached are Forms AD-112, Report of Unserviceable, Lost, or Damaged Property, and AD-107, Report of Transfer or Other Disposition or Construction of Property, which are handled in the same manner.

If you want to request property from the excess property system a SF-122, Transfer Order Excess Personal Property must be completed and forwarded to your AO.

Effective August 29, 2005, Departmental Excess Personal Property Coordinators (DEPPC) ceased to exist. On that date, the Agency Asset Management System (AAMS), which is a module within GSA's GSAXcess system, became operational for all USDA to report and search for excess personal property. AAMS will be used to report all excess property for 15 days internal screening. Following this the property will automatically go from AAMS to GSAXcess for federal screening for 21 days. To obtain access to AAMS for MWA, contact Rebecca Holzinger.

The Property Pass, Optional Form 7, is to be used whenever property is removed from the building. It is to be properly filled out and signed by whoever is assigned and responsible for that property and handed to the guard when leaving the building. If there is not a guard, then the person who is responsible for the property signs and keeps the pass. Keep a copy of this signed form with the property.

ANY EQUIPMENT LEAVING GOVERNMENT PREMISES NEEDS AN APPROVED PROPERTY PASS

All 'blanket pass' equipment off-site forms need to be done each calendar year. A 'blanket pass' is for government equipment that an employee has a need for on a regular basis. The following procedures apply to a blanket pass:

1. Certify that all requests for removal of government property are needed and are used in connection with an approved ARS project or program and not for personal use.
2. A memo must be prepared from the borrower to the Administrative Officer through their supervisor, fund holder and accountable property officer. The memo should specify description of equipment, serial number, reason and location for use and also contain the following statement: "Borrowing of this property will not negatively impact the ARS program(s) at the facility."
3. The memo will be approved or disapproved by the Administrative Officer and a copy will be returned to the borrower through the fund holder and a copy to the accountable officer.
4. The borrower should carry their approved pass when leaving the facility to provide evidence of approval for removal of the government property.

If the government property is for a specific purpose (short term), the 'Equipment Use Off Site' form (attached) needs to be completed.

(NOTE: These procedures apply to ALL equipment including cameras, tape recorders, PCs, laptops, calculators, etc.)
